SPECIAL TO HAMILTON SUBSCRIBERS.

Ring for Central Office, then immediately remove the Telephone and listen, when you hear the operator speak, give *number* and *letter*, if any, of subscriber you wish to communicate with, and you will be connected at once or notified that the line wanted is in use.

With switching machinery now in use, operators cannot pay any attention to calls for *names*, as they do not know where to look for a line except by its number.

The number wanted should be spoken with especial distinctness to prevent mistakes.
